Dear Community Partner:

The Sierra Madre Kiwanis Club recently celebrated it's **89th** year of service to Sierra Madre and surrounding communities. During this time we have help make a positive impact on thousands of lives, young and old. Our programs, which are focused on "Changing the World, One Child, One Community At A Time", are broad in scope, as we realize that in order to save our children, we have to help change the communities in which they live.
